Management and Board Members
City of Miami Southeast Overtown Park
West Community Redevelopment Agency
Miami, Florida

Dear Management and Board Members:

We are pleased to present the results of our audit of the basic financial statements of the City of Miami Southeast Overtown Park West Community Redevelopment Agency (the "Agency") for the year ended September 30, 2013.

This report summarizes our audits, the scope of our engagement, and key observations and findings from our audit procedures for the year ended September 30, 2013. This report also contains the communications required by our professional standards and by *Government Auditing Standards*.

The audit was designed to express an opinion on the Agency's 2013 basic financial statements. In accordance with professional standards, we obtained a sufficient understanding of internal control to plan the audits and to determine the nature, timing, and extent of tests to be performed. However, we were not engaged to and we did not perform an audit of internal control over financial reporting.

This report is intended solely for the information and use of those charged with governance, and is not intended to be and should not be used by anyone other than these specified parties.

We appreciate this opportunity to meet with you to discuss the contents of this report, and to answer any questions that you may have about this report or any other audit-related matters. If you have any questions, please contact Richie C. Tandoc, Partner in charge of the audit, at (305) 269-8633, ext. 8016.

Very truly yours,

Sanson Kline Jacomino Tandoc & Gamarra, LLP

2013 Audit Results and Required Communications**

Generally Accepted Auditing Standards and *Government Auditing Standards* require the auditor to communicate certain matters to those charged with governance that may assist in overseeing management's financial reporting and disclosure process. <p>Auditors' Responsibilities Under Generally Accepted Auditing Standards (GAAS) and Government Auditing Standards (GAS)</p> <p>Our responsibility is to express an opinion on the Agency's financial statements based on our audit conducted in accordance with auditing standards generally accepted in the United States and <i>Government Auditing Standards</i>. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.</p> <p>In addition, we are required to report on the Agency's internal control over financial reporting and on compliance and other matters. However, providing assurance on the internal control or compliance with certain provisions of laws, regulations, contracts, and agreements was not an objective of our audit, and accordingly, we do not express such an opinion.</p>	<p>We have issued an unmodified opinion (i.e. clean opinion) on the Agency's basic financial statements for the year ended September 30, 2013.</p> <p>We have also issued our report on the Agency's internal control over financial reporting and on compliance and other matters for the year ended September 30, 2013. We noted no material weaknesses or material noncompliance issues.</p> <p>Both reports were dated December 11, 2013.</p>
<p>Significant Accounting Policies</p> <p>Initial selection of and changes in significant accounting policies or their application and new accounting and reporting standards during the year must be reported.</p> <p>In addition, we must discuss our judgments about the quality, not just the acceptability, of the accounting policies as applied in the Agency's financial reporting.</p>	<p>The Agency's significant accounting policies are described in Note 1 to the financial statements.</p> <p>Accounting principles selected by management are consistent with those prescribed by government accounting standards, and the Agency's financial statements and related disclosures are clearly presented in a complete manner.</p>
<p>Accounting Estimates</p> <p>The preparation of the financial statements requires the use of accounting estimates. We are required to inform those charged with governance of such accounting estimates and about our conclusions regarding the reasonableness of those estimates.</p>	<p>For fiscal year ended September 30, 2013, management's judgment was called upon to establish the useful lives of capital assets. We have determined that such estimates are reasonable.</p>
<p>Methods of Accounting for Significant Unusual Transactions and for Controversial or Emerging Areas</p> <p>We are required to inform those charged with governance about the methods used to account for significant unusual transactions and the effects of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</p>	<p>We did not identify any significant unusual transactions by the Agency or any significant accounting policies used by the Agency related to controversial or emerging areas for which there is a lack of authoritative guidance.</p>
<p>Significant and/or Unadjusted Audit Adjustments</p> <p>We are required to inform those charged with governance about auditor adjustments arising from the audit (whether recorded or not) that could, in our judgment, have a significant effect, individually or in the aggregate, on the Agency's financial statements.</p>	<p>We had no significant audit adjustment during the current year's audit. All adjustments made during the audit were proposed by the Finance Officer, and approved by us.</p>

Enclosures: Legislation

BACKGROUND:

The attached Resolution of the Board of Commissioners of the Southeast Overtown/Park West Community Redevelopment Agency ("CRA") ratifying the exercise of the CRA's options to renew its services agreement with Horsepower Electric, Inc. ("Horsepower") to provide streetlight maintenance services on CRA-maintained streetlights ("services") for the period of September 1, 2013 through August 31, 2014, at the annual rate of \$25,000. This Resolution also authorizes the Executive Director to exercise the CRA's option to renew said service agreement with Horsepower to provide services for the period of one (1) year, commencing September 1, 2014, at the annual rate not to exceed \$25,000.

The CRA maintains certain properties which require regular maintenance, including streetlights. The Board of Commissioners, by Resolution No. CRA-R-11-0022, passed and adopted on April 25, 2011, authorized the execution of a Services Agreement with Horsepower Electric, Inc. ("Horsepower") for one (1) year with four (4) one-year renewal options.

JUSTIFICATION:

Section 2, Principle 10, at page 16, of the 2009 Southeast Overtown/Park West Redevelopment Plan (the "Plan") provides for the streets and buildings to be attractive. Section 2, Goal 6/Principle 10, at pages 11 and 16, of the Plan also lists "[i]mproving the quality of life for residents," and the "[m]aintenance of public streets and spaces . . . in a consistent manner . . .," as stated redevelopment goals.

FUNDING:

\$25,000 is to be allocated from SEOPW Tax Increment Fund, entitled "Other Contractual Services" Account Code No. 10050.920101.534000.0000.00000.

DOCUMENTATION**

WHEREAS, pursuant to Southeast Overtown Parkwest CRA Resolution CRA-R-11-0022 and Omni CRA Resolution CRA-R-11-0024 adopted April 25, 2011, the CRA Board of Commissioners authorized the Executive Director to execute and enter into an agreement with Provider;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the PROVIDER and the CRA agree as follows:

TERMS

1. **RECITALS.** The recitals are true and correct and are hereby incorporated into and made a part of this Agreement.

2. **TERM.** The term of this Agreement shall be for one (1) year commencing on the date written above. The CRA shall have four (4) options to extend the term for a period of one year each, subject to availability, appropriation of funds, and CRA Board approval.

3. **SCOPE OF SERVICE.** PROVIDER agrees to provide the Services specifically described in Exhibit "A" attached hereto and hereby incorporated into and made a part of this Agreement. PROVIDER will only provide services related to those listed in Exhibit "A" for which the CRA issues a specific Notice to Proceed.

a. PROVIDER represents and warrants to the CRA that: (i) it possesses all qualifications, licenses and expertise required for the performance of the Services; (ii) it is not delinquent in the payment of any sums due to the CRA, or the City of Miami, including payment of permit fees, occupational licenses, etc., not in the performance of any obligations to the CRA; (iii) all personnel assigned to perform the Services are, and shall be, at all times during the term hereof, fully qualified, licensed and trained to perform the tasks assigned to each; and (iv) the Services will be performed in the manner described in Exhibit "A."

b. The PROVIDER agrees that it will not retain the services of additional subcontractors without obtaining the approval of the CRA which may be withheld in the CRA's sole discretion. Notwithstanding the CRA's approval rights hereunder, the PROVIDER acknowledges and covenants that it shall be responsible for all services performed by its subcontractors to the same extent as the PROVIDER had provided said services.

4. COMPENSATION.

a. The amount of compensation payable by the CRA to the PROVIDER shall be based on the rates and schedules described in Exhibit "B" attached hereto, but only for the completion of tasks for which CRA has issued a Notice to Proceed; provided, however, that in no event shall the total amount of compensation CRA pays to PROVIDER exceed Forty Thousand Dollars (\$40,000), inclusive of all reimbursable expenses, without written authorization from the CRA's Executive Director.

b. Unless otherwise specifically provided in Exhibit "B," all payments due hereunder shall be made within thirty (30) days after receipt of PROVIDER's invoice, which shall be certified as to the percentage of completion of the tasks identified and described in Exhibit "A," and be accompanied by sufficient supporting documentation and contain sufficient detail, to allow a proper audit of expenditures, should the CRA require one to be performed. Failure by PROVIDER to comply with this Section may cause a delay in payment by the CRA.

5. TIME FOR COMPLETION. The PROVIDER agrees to complete the Services in accordance with Exhibit "A." Any specific task related service described in Exhibit "A" shall commence within seven (7) days of the PROVIDER's receipt of a CRA Notice to Proceed.

6. OWNERSHIP OF DOCUMENTS. The PROVIDER understands and agrees that any information, document, report or any other material whatsoever which the CRA gives to the PROVIDER or which is otherwise obtained or prepared by the PROVIDER pursuant to or under the

terms of this Agreement is and shall at all times remain the property of the CRA. The PROVIDER agrees not to use any such information, document, report or material for any other purpose whatsoever without the written consent of CRA, which may be withheld or conditioned by the CRA in its sole discretion.

7. AUDIT RIGHTS. The CRA may, at reasonable times, and for a period of up to three (3) years following the date of final payment by the CRA to the PROVIDER under this Agreement, audit, or cause to be audited, those books and records of the PROVIDER which are related to the PROVIDER's performance under this Agreement. The PROVIDER agrees to maintain all such books and records at its principal place of business for a period of three (3) years after final payment is made under this Agreement.

8. AWARD OF AGREEMENT. The PROVIDER represents and warrants to the CRA that it has not employed or retained any person or company employed by the CRA to solicit or secure this Agreement and that it has not offered to pay, paid, or agreed to pay any person any fee, commission, percentage, brokerage fee, or gift of any kind contingent upon or in connection with, the award of this Agreement.

9. PUBLIC RECORDS. The PROVIDER understands that the public shall have access, at all reasonable times, to all documents and information pertaining to CRA contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the CRA and the public to all documents subject to disclosure under applicable law. The PROVIDER's failure or refusal to comply with the provisions of this section shall result in the immediate cancellation of this Agreement by the CRA.

10. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS. The PROVIDER understands that agreements between private entities and local governments are subject to certain laws

and regulations, including laws pertaining to public records, conflict of interest, record keeping, etc. CRA and the PROVIDER agree to comply with and observe all applicable federal, state and local laws, rules, regulations, codes and ordinances, as may be amended from time to time.

11. NON-RECOURSE. This Agreement is non-recourse to the CRA. In the event of breach of this Agreement by the CRA, the PROVIDER may only seek specific performance of this Agreement and any recovery shall be limited to the amount set forth in Section 4(a) of this Agreement.

12. INDEMNIFICATION. The PROVIDER shall indemnify, defend and hold harmless the CRA, the City of Miami and its officials, employees and agents (collectively referred to as "Indemnities") from and against any and all loss, costs, penalties, fines, damages, claims, expenses (including attorney's fees), or liabilities (collectively referred to as "Liabilities") arising out of, resulting from, or in connection with: (i) the performance or non-performance of the Services contemplated by this Agreement which is or is alleged to be directly or indirectly caused, in whole or in part, by any act, omission, default or negligence (whether active or passive) of the PROVIDER or its employees, agents or subcontractors (collectively referred to as "PROVIDER"); (ii) the failure of the PROVIDER to comply with any of the paragraphs here; (iii) the failure of the PROVIDER to conform to statutes, ordinances, or other regulations or requirements of any governmental authority, federal or state, in connection with the performance of this Agreement; or (iv) the defense of any such claim or in the investigation thereof. The PROVIDER expressly agrees to indemnify and hold harmless the Indemnities, or any of them, from and against all liabilities which may be asserted by an employee or former employee of PROVIDER, or any of its subcontractors, as provided above, for which the PROVIDER's liability to such employee or former employee would otherwise be limited to payment under state Workers' Compensation or similar laws.

13. INSURANCE. The PROVIDER shall, at all times during the term hereof, maintain such insurance coverage described in Exhibit "C" attached hereto. All such insurance, including renewals, shall be subject to the approval of the CRA (which approval shall not be unreasonably withheld) for adequacy of protection and evidence of such coverage shall be furnished to the CRA on Certificates of Insurance indicating such insurance to be in force and effect and providing that it will not be canceled during the performance of the services under this contract without thirty (30) calendar days prior written notice to the CRA. Completed Certificates of Insurance shall be filed with the CRA, to the extent practicable, prior to the performance of services hereunder; provided, however, that the PROVIDER shall at any time upon request by the CRA file duplicate copies of the policies of such insurance with the CRA. If, in the reasonable judgment of the CRA, prevailing conditions warrant the provision by the PROVIDER of additional liability insurance coverage or coverage which is different in kind, the CRA reserves the right to require the provision by the PROVIDER of an amount of coverage different from the amounts or kind previously required and shall afford written notice of such change in requirements thirty (30) days prior to the date on which the requirements shall take effect. Should the PROVIDER fail or refuse to satisfy the requirement of changed coverage within thirty (30) days following the CRA's written notice, this Agreement shall be considered terminated on the date the required change in policy coverage would otherwise take effect. Upon such termination, the CRA shall pay the PROVIDER compensation for services rendered; and expenses incurred, prior to the date of termination but shall not be liable to the PROVIDER for any additional compensation; or for any consequential or incidental damages.

14. DEFAULT. If the PROVIDER fails to comply with any term or condition of this Agreement, or fails to perform any of its obligations hereunder, then the PROVIDER shall be in default. Upon the occurrence of a default hereunder, the CRA, in addition to all remedies available to it by law,

may immediately, upon written notice to the PROVIDER, terminate this Agreement whereupon all payments, or other compensation paid by the CRA to the PROVIDER while the PROVIDER was in default shall be immediately returned to the CRA. The PROVIDER understands and agrees that termination of this Agreement under this section shall not release the PROVIDER from any obligation accruing prior to the effective date of termination. Should the PROVIDER be unable or unwilling to commence to perform the Services within the time provided or contemplated herein, then, in addition to the foregoing, the PROVIDER shall be liable to the CRA for all expenses incurred by the CRA in preparation and negotiation of this Agreement, as well as all costs and expenses incurred by the CRA in the re-procurement of the services, including consequential and incidental damages.

15. DISPUTES. In the event of a dispute between the Executive Director of the CRA and the PROVIDER as to the terms and conditions of this Agreement, the Executive Director of the CRA and the PROVIDER shall proceed in good faith to resolve the dispute. If the parties are not able to resolve the dispute within thirty (30) days of written notice to the other, the dispute shall be submitted to the CRA's Board of Commissioners for resolution within ninety (90) days of the expiration of such thirty (30) day period or such longer period as may be agreed to by the parties to this Agreement. The Board's decision shall be deemed final and binding on the parties.

16. CRA'S TERMINATION RIGHTS. The CRA shall have the right to terminate this Agreement, in its sole discretion, at any time, by giving written notice to the PROVIDER at least five (5) calendar days prior to the effective date of such termination. In such event, the CRA shall pay to the PROVIDER compensation for services rendered and expenses incurred prior to the effective date of termination. Such payment shall be determined on the basis of the hours or the percentage of the total work performed by the PROVIDER up to the time of termination certified in accordance with the provisions of this Agreement. In the event partial payment has been made for professional services not

performed, the PROVIDER shall return such sums to the CRA within ten (10) days after receipt of written notice that said sums are due. In no event, shall the CRA be liable to the PROVIDER for any additional compensation, other than that provided herein, nor for any consequential or incidental damages.

The CRA may terminate this Agreement, without notice to the PROVIDER, upon the occurrence of an event of default hereunder. In such event, the CRA shall not be obligated to pay any amounts to the PROVIDER and the PROVIDER shall reimburse to the CRA all amounts received while PROVIDER was in default under this Agreement.

17. **NONDISCRIMINATION.** The PROVIDER represents and warrants to the CRA that the PROVIDER does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with the PROVIDER's performance under this Agreement on account of race, color, sex, religion, age, handicap, marital status or national origin. The PROVIDER further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Agreement.

18. **CONFLICT OF INTEREST.**

a. The PROVIDER is aware of the conflict of interest laws of the City of Miami (Miami City Code Chapter 2, Article V), Dade County, Florida (Dade County Code, Section 2-11.1 et seq.) and of the State of Florida as set forth in the Florida Statutes, and agrees that it will fully comply in all respects with the terms of said laws and any future amendments thereto.

b. The PROVIDER covenants that no person or entity under its employ, presently exercising any functions or responsibilities in connection with this Agreement, has any personal financial interests, direct or indirect, with the CRA. The PROVIDER further covenants that, in the

performance of this Agreement, no person or entity having such conflicting interest shall be utilized in respect to services provided hereunder. Any such conflict of interest(s) on the part of the PROVIDER, its employees or associated persons, or entities must be disclosed in writing to the CRA.

c. The PROVIDER shall decline proffered employment by another client(s) if the exercise of the PROVIDER's independent professional judgment on behalf of the CRA, on any matter directly related to the Services, will be or is likely to be adversely affected by the acceptance of such proffered employment; provided, however, that the PROVIDER may represent a client(s) with an interest adverse to the CRA if the subject matter of such representation is not related to the Services described in this Agreement and if the CRA waives any conflict or alleged conflict with respect to such representation. Should the PROVIDER request the CRA's waiver of any conflict of interest, the PROVIDER shall provide to the CRA, in writing, all information pertaining to such potential conflict for the CRA's evaluation.

d. The PROVIDER shall not delegate the substantive obligations to be undertaken hereunder to any person or entity who exercises any functions or responsibilities on his/her personal behalf or on behalf of any other client(s) if the subject matter of such representation is related to the Services and if such representation will or is likely to compete with the interests of the CRA, or adversely affect the interests of the CRA and the obligations undertaken by the PROVIDER hereunder.

19. **ASSIGNMENT.** This Agreement shall not be assigned by the PROVIDER, in whole or in part, without the prior written consent of the CRA's, which may be withheld or conditioned, in the CRA's sole discretion.

20. **NOTICES.** All notices or other communications required under this Agreement shall be in writing and shall be given by hand-delivery or by registered or certified U.S. Mail, return receipt requested, addressed to the other party at the address indicated herein or to such other address as a party

may designate by notice given as herein provided. Notice shall be deemed given on the day on which personally delivered; or, if by mail, on the fifth day after being posted or the date of actual receipt, whichever is earlier.

21. MISCELLANEOUS PROVISIONS.

- a. This Agreement shall be construed and enforced according to the laws of the State of Florida.
- b. Title and paragraph headings are for convenient reference and are not a part of this Agreement.
- c. No waiver or breach of any provision of this Agreement shall constitute a waiver of any subsequent breach of the same or any other provision hereof, and no waiver shall be effective unless made in writing.
- d. Should any provision, paragraph, sentence, word or phrase contained in this Agreement be determined by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable under the laws of the State of Florida or the City of Miami, such provision, paragraph, sentence, word or phrase shall be deemed modified to the extent necessary in order to conform with such laws, or if not modifiable, then same shall be deemed severable, and in either event, the remaining terms

and provisions of this Agreement shall remain unmodified and in full force and effect or limitation of its use.

e. Should the provisions of this Agreement require judicial or arbitral interpretation, it is agreed that the judicial or arbitral body interpreting or construing the same shall not apply the assumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that an instrument is to be construed more strictly against the party which itself or through its agents prepared same, it being agreed that the agents of both parties have equally participated in the preparation of this Agreement.

f. No provision of this Agreement shall, in any way, inure to the benefit of any third parties so as to constitute any such third party a beneficiary of this Agreement, or of any one or more of the terms hereof, or otherwise give rise to any cause of action in any party not a party hereto.

22. SUCCESSORS AND ASSIGNS. This Agreement shall be binding upon the parties hereto, their heirs, executors, legal representatives, successors, or assigns.

23. INDEPENDENT CONTRACTOR. The PROVIDER has been procured and is being engaged to provide services to the CRA as an independent contractor, and not as an agent or employee of the CRA. Accordingly, the PROVIDER shall not attain, nor be entitled to, any rights or benefits under the Civil Service or Pension Ordinances of the City of Miami, nor any rights generally afforded its classified or unclassified employees. The PROVIDER further understands that Florida Workers' Compensation benefits available to employees of the CRA are not available to the PROVIDER, and agrees to provide workers' compensation insurance for any employee or agent of the PROVIDER rendering services to the CRA under this Agreement.

24. **CONTINGENCY CLAUSE.** Funding for this Agreement is contingent on the availability of funds and the Agreement is subject to amendment or termination due to lack of funds, reduction of funds and/or change in regulations.

25. **ENTIRE AGREEMENT.** This instrument and its attachments constitute the sole and only agreement of the parties relating to the subject matter hereof and correctly set forth the rights, duties, and obligations of each to the other as of its date. Any prior agreements, promises, negotiations, or representations not expressly set forth in this Agreement are of no force or effect. No modification or amendment hereto shall be valid unless in writing and executed by properly authorized representatives of the parties hereto.

26. **FORCE MAJEURE.** Force Majeure shall mean an act of God, epidemic, lightning, earthquake, fire, explosion, hurricane, flood or similar occurrence, strike, an act of public enemy, or blockade, insurrection, riot, civil disturbance or similar occurrence, which has a material effect adverse impact on the performance of this Agreement, and which cannot be avoided despite the exercise of due diligence. The term Force Majeure DOES NOT INCLUDE inclement weather (except as noted above) or the acts or omissions of subconsultants/subcontractors, third-party consultants/contractors materialmen, suppliers, or their subcontractors, unless such acts or omissions are otherwise encompassed by the definition set forth above.

No party hereto shall be liable for its failure to carry out its obligations under the Agreement during a period when such party is rendered unable, in whole or in part, by Force Majeure to carry out such obligations, but the obligation of the party or parties relying on such Force Majeure shall be suspended only during the continuance of any inability so caused and for no longer period of said unexpected or uncontrollable event, and such cause shall, so far as possible, be remedied with all reasonable dispatch.

It is further agreed and stipulated that the right of any party hereto to excuse its failure to perform by reason of Force Majeure shall be conditioned upon such party giving, to the other party or parties, written notice of its assertion that a Force Majeure delay has occurred as soon as practicable after the occurrence but not later than ten (10) working days after the occurrence, unless there exists good cause for failure to give such notice, in which event, failure to give such notice shall not prejudice any party's right to justify any non-performance as caused by Force Majeure unless the failure to give timely notice causes material prejudice to the other party or parties.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their respective officials thereunto duly authorized as of the day and year above written.

Foundation of South Florida, Inc.

BACKGROUND:

The attached Resolution of the Board of Commissioners of the Southeast Overtown/Park West Community Redevelopment Agency ("CRA") accepts a grant in the amount of \$10,000 from the Health Foundation of South Florida, Inc. ("HFSF") in support of the Overtown Health Partnership's ("OHP") efforts to inform and educate residents about existing community health resources and to promote healthy living. This Resolution also authorizes the CRA to administer the grant on behalf of OHP.

HFSF history traces back to 1960, and seeks to improve the health status of people in Broward, Miami-Dade and Monroe Counties by funding providers and supporting programs to: increase the accessibility of quality, sustainable, community-based primary health services, including behavioral health, for all with a focus on the underserved; promote healthy eating active communities and preventive health measures; improve organizational effectiveness and efficiency among grantees and selected health and social service providers; and improve the effective delivery and efficiency of the health system for the poor and uninsured.

Several health indicators reflect a series of health relates risks to Overtown residents. Specifically, Overtown has the highest incidents of diabetes, adult asthma, pediatric asthma, and alcohol abuse related emergency visits in the Miami-Dade County. Overtown also has the highest hospitalization rates due to congestive heart failure and long-term complications of diabetes. Moreover, from 2006-2008, the Florida Department of Health reflects Overtown as having one of the highest infant mortality rates. Surveys reveal residents perceive their community to be in a poor state of health when it comes to issues of diabetes, hypertension, obesity, and sexually transmitted infections. When asked what could help improve the health of the community, respondents consistently shared that community members need increased access to health information, affordable services, and respectful interactions with health care providers.

In response to the current health state of Overtown, the Overtown Health Partnership ("OHP") was formed as a coalition of local community-based organizations and stakeholders that seek to improve the health of residents within the Redevelopment Area by informing and educating residents about existing community health resources and promoting healthy living. Given that the CRA is charged with facilitating redevelopment efforts throughout the redevelopment area, the CRA collaborated with OHP, and applied for grant funds from HFSF in order to support OHP's efforts. HFSF has awarded grant funding to the CRA in the amount of \$10,000 for OHP's efforts.

JUSTIFICATION:

Section 2, Goal 6, at page 11, of the 2009 Southeast Overtown/Park West Redevelopment Plan lists "[i]mproving the quality of life for residents."

RE: Change Order Request No. 1a
Town Park Village
Electrical Upgrade at Meter Rooms

We are pleased to submit this cost breakdown for Additional Electrical Services on the above referenced project located 1680 NW 4th Avenue, Miami, FL.

Upon replacing the meter room assemblies we discovered numerous underground pipes that are severely corroded. This unforeseen condition requires additional work beyond our scope. We must unearth the pipes, remove the pipe beyond the point of corrosion, and add new pipes. Some of the pipes are rotted to the point where they crumble upon being touched. We have to remove/replace approximately 60-80 linear feet of pipe per each apartment. The replacement will be from the building to the electrical service, or beyond the building if necessary (example: at building 12 we will need to cut part of the floor in the kitchen at the apartment adjacent to the meter room in order to reach the corroded pipes).

We will remove, replace, or encase in concrete as necessary, corroded pipes in buildings 4, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20.

The exposed wires present a life safety issue. We need to start this work as soon as possible to avoid injury. Furthermore, The City of Miami Building Department will not allow us to close our permits until this issue is addressed.

KLM of South Florida, Inc. needs this change order executed to perform the work shown in the table below:

Building #	Man Hours	Quantity Rigid Pipe LF/Fittings	Unit Price	Building #	Man Hours	Quantity Rigid Pipe LF/Fittings	Unit Price
4	24	~60-80 lf	\$1,800.	14	24	~60-80 lf	\$1,800.

13	24	~60-80 lf	\$1,800.	20	24	~60-80 lf	\$1,800.
Total Material Cost: \$8,400.			Total Labor Cost: \$16,800.				
TOTAL							\$25,200.

Notes:

- Includes Labor & Material
- Man hours based on 1 working day for 3 workmen
- All Work Done to Code.
- Not part of Original Contract.
- Some buildings need more/less work, however, to simplify invoicing we made the unit prices equal, i.e. some buildings may take 28 hours to complete, some may take 20 hours
- We cannot close the meter assemblies without repairing the pipe.

Subject: Resolution Authorizing Commercial Lease
with Two Guys and Tenant Improvement
Grant.

From: Clarence E. Woods, III *CW*
Executive Director

References:

Enclosures: Supporting Documentation; Legislation

BACKGROUND:

The attached Resolution of the Board of Commissioners of the Southeast Overtown/Park West Community Redevelopment Agency ("CRA") authorizes execution of a commercial lease agreement with Two Guys Restaurant, Inc. ("Two Guys"), as the sole proposer in response to RFP No. 13-007, for the lease of commercial space at the Overtown Shopping Center, 1490 NW 3rd Avenue, Unit 108, Miami, Florida. This Resolution also authorizes the issuance of a grant, in an amount not to exceed \$150,000, to Two Guys to underwrite costs associated with tenant improvements to the unit proposed to be lease.

The CRA owns the Overtown Shopping Center, at 1490 NW 3rd Avenue, Miami, Florida ("Property"), and said Property is located within the NW 3rd Avenue Neighborhood Center. In order to attract and accommodate commercial tenants, the CRA is currently undertaking the renovation and rehabilitation of the Property.

Pursuant to Section 163.380(3)(a), Florida Statutes, the CRA issued Request for Proposals No. 13-007 on November 7, 2013, wherein is sought proposals for persons interested in leasing commercial space at the Property. On December 9, 2013, the CRA received three (3) proposals, each for different units at the Property. Two Guys submitted the one and only proposal for Unit 108 and seeks to relocate its business to the Property.

Two Guys is currently located at 1401 NW 3rd Avenue, Miami, Florida. If awarded Unit 108, Two Guys has requested assistance with tenant improvements. Although the CRA is renovating much of the Property, renovation and rehabilitation of the individual commercial spaces is outside the scope of the overall renovations. Notwithstanding, in anticipating the need to provide tenant improvement grants in order to attract tenants to the Property, the Board of Commissioners, by Resolution No. CRA-R-13-0042, passed and adopted on June 24, 2013, authorized a grant initiative, in a total amount not to exceed \$500,000, to provide tenant improvement grants for prospective tenants at the Property. This Resolution does not commit any additional funding beyond what was previously authorized by the Board of Commissioners in passing Resolution No. CRA-R-13-0042.

JUSTIFICATION:

Section 2, Goal 5, at page 11, of the Plan lists the promotion of "local cultural events, institutions, and businesses," as a stated redevelopment goal. Principle 6, at page 15, of the Plan also provides that in order to "address and improve the neighbor economy and expand economic opportunities of present and future residents and businesses[.]. . . [it is necessary to] support and enhance existing businesses and . . . attract new businesses that provide needed services and economic opportunities" The Plan, at pages 62-63, identifies the NW 3rd Avenue Neighborhood Center as becoming a thriving mixed-use area, which requires the CRA to "attract new businesses to NW 3rd Avenue in anticipation of [surrounding residential development]."

FUNDING:

\$150,000 are to be allocated from SEOPW Tax Increment Fund, entitled "Other Grants and Aids" Account Code No. 10050.920101.883000.0000.00000. Said funds were previously allocated by Resolution No. CRA-R-13-0042, and therefore, no new funding is being committed by this Resolution.

RE: The Villas of St. Agnes Fence Project

Dear Miami CRA,

The Villas of St. Agnes Association (VOSA), a subdivision of Townpark, located in the SW corner of NW 3<sup>rd</sup> Avenue and NW 20<sup>th</sup> Street located in the Southeast Overtown/Park West Community Redevelopment Agency (SEOPWCRA), is pleased to submit our completed CRA Grant Application for you to review.

As you are aware, the goal of Florida Statute 163, Part III is the absolute elimination of slum and blight conditions within a targeted district such as a Community Redevelopment Area. The VOSA was created to assist in accomplishing this goal within Overtown by the creation of a mixed income community of homeowners, professionals, the elderly and other community stakeholders. The goal was to remove slum and blight conditions by trying to not only encourage homeownership for existing residents who had lived in Overtown for years, but also encourage new residents including professionals to move into the blighted community. The creation of the VOSA accomplished this in the very beginning and created a microcosm of what Overtown use to be in its heyday; a community of teachers and lawyers, business owners, young professionals, older professionals and retirees.

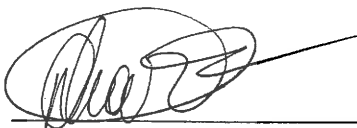

Now however, the community faces a crisis as many of these professionals who had moved in to Overtown are now moving back out in droves due to safety and security concerns. The result is that the high homeownership rate that we had in the beginning is now being superseded by a high rental rate; this is a condition that is the opposite of what is required to eliminate slum and blight. The high rental rate is having a direct effect in fostering drug activity, crime, homeowners who are walking away from their properties and the flight of professionals from the area. In an effort to address these issues of the health, safety and welfare of our residents and homeowners, and to create an environment that will encourage the return of both young and older professionals once again to Overtown, the VOSA Board of Directors has decided to pursue the installation of a higher fence around the perimeter of our community.

In polling our community homeowners, the consensus was that installing a higher fence would address many of the immediate concerns that the existing residents and homeowners have, which include robbery, theft from cars, homes, and other random acts of vandalism. In the past few months our Association and individual homeowners' property have been vandalized or stolen as a result of the easy access, and the spillover of increased criminal activity surrounding the property. Homeowners have expressed concern with the fact that we have had increased unauthorized foot traffic as a result of the increased numbers of the homeless community passing through, and since we first brought this matter to a meeting with the CRA, three homeowners have moved away. We are confident that the installation of a higher gated fence would allow us to better control and monitor access to the community, thereby allowing us to provide a greater peace of mind for our homeowners and encourage reinvestment in our community.

We are therefore respectfully requesting a grant in the amount of \$160,000.00 from the SEOPWCRA, which we sincerely believe is in full compliance with the goals and mission as stated in the SEOPWCRA Redevelopment Plan as governed by Florida Statute 163 Part III. We conducted an extensive vetting process over several months, finding and meeting with several contractors, some of which were among those suggested by the Contractors Resource Center, Inc (CRC). To that end we have chosen to retain the services of Ronald M. Gibbons, Inc. a company with a solid track record of performance, are properly licensed, bonded and insured, and who are strongly recommended by past clients. With the help of the CRA in funding the installation of our fence as one of the tools that we can currently use to help eliminate slum and blight conditions in our community, we will be able to focus our limited association resources towards the upkeep of our community including painting, landscape maintenance and infrastructure improvements, all of which will create a safer environment and hopefully change the direction of our community back towards homeownership before it is too late.

Thank you very much for your consideration of our request. We may all be contacted via email at [boardofdirectors@thevillasofstagnes.com](mailto:boardofdirectors@thevillasofstagnes.com), and individual members may be reached as follows: Winston Mark Walters – Board President at (305)632-7514; Deidria Davis – Vice President at (786)218-9873; and Nattaliah Earle – Secretary at (786)412-0469. Please let us know if you have any questions.

Sincerely,

BACKGROUND:

The attached Resolution of the Board of Commissioners of the Southeast Overtown/Park West Community Redevelopment Agency ("CRA") authorizes execution of a commercial lease agreement with VSMD Food Corp. ("VSMD"), as the sole proposer in response to RFP No. 13-007, for the lease of commercial space at the Overtown Shopping Center, 1490 NW 3rd Avenue, Unit 101, Miami, Florida.

The CRA owns the Overtown Shopping Center, at 1490 NW 3rd Avenue, Miami, Florida ("Property"), and said Property is located within the NW 3rd Avenue Neighborhood Center. In order to attract and accommodate commercial tenants, the CRA is currently undertaking the renovation and rehabilitation of the Property.

Pursuant to Section 163.380(3)(a), Florida Statutes, the CRA issued Request for Proposals No. 13-007 on November 7, 2013, wherein is sought proposals for persons interested in leasing commercial space at the Property. On December 9, 2013, the CRA received three (3) proposals, each for different units at the Property. VSMD Food Corp. submitted the one and only proposal for Unit 101 and seeks to open a grocery store on the Property.

JUSTIFICATION:

Principle 6, at page 15, of the Plan also provides that in order to "address and improve the neighbor economy and expand economic opportunities of present and future residents and businesses[.]. . . [it is necessary to] support and enhance existing businesses and . . . attract new businesses that provide needed services and economic opportunities" The Plan, at pages 62-63, identifies the NW 3rd Avenue Neighborhood Center as becoming a thriving mixed-use area, which requires the CRA to "attract new businesses to NW 3rd Avenue in anticipation of [surrounding residential development]."

Executive Summary

EXECUTIVE SUMMARY

OVERTOWN GATEWAY

EXECUTIVE SUMMARY

For its entire history, Historic Overtown has been an iconic neighborhood influenced by Black culture that is celebrated by residents and visitor alike. At the height of Overtown's "Little Broadway" era, Avenue G (now known as "Second Avenue") was the nerve center. Block 55 housed some of the most significant sites including the Sir John Hotel and Mary Elizabeth Hotel. Today, the site offers a spectacular opportunity to establish a gateway that frames the physical entrance to Historic Overtown and the perceptual progress towards its future.

We propose the "Overtown Gateway" project for Block 55 as a bold and thoughtful development designed to transform the neighborhood's entrance into a vibrant district offering a wide range of options to live, work and play. Our proposal is influenced by deep consideration of the various plans and studies that have been developed for the neighborhood over the last twenty years. The Redevelopment Plan and HOFDIA standards were central to our consideration and can be seen in the design. The Project concept is further discussed in Tab 3. Design images are provided in Appendix A and B.

The Project team is comprised of highly accomplished firms with significant experience in the development and management of large-scale and complex projects. Detailed information about each individual team member is located in Appendix C.

Our Development Partners, The Peebles Corporation ("Peebles") and BACH Real Estate ("BACH"), have direct experience with all the components of the Project. Over the last decade, Peebles has developed projects totaling approximately \$300 million in South Florida alone. Recently, Forbes Magazine named Donahue Peebles, the company's founder, as one of the "ten wealthiest Black Americans". BACH is a Miami-based, African-American owned firm led by Barron Channer. He is an emerging developer with over ten years of real estate development and acquisitions experience. A 30-year native of Miami-Dade, Mr. Channer obtained an MBA from The Wharton School. The Development Partners have established a joint-venture to undertake the development of Block 55. Mr. Peebles and Mr. Channer have worked together for a decade.

The Project team further includes MCM, D. Stephenson Construction ("Stephenson"), Revuelta Architecture ("Revuelta"), Miami Parking Authority ("MPA") and Bercow Radell and Fernandez ("BRF").

- MCM is a Miami-based construction management firm and one of the largest Hispanic-owned construction firms in the US. The firm has the bonding capacity to undertake collective projects totaling \$1 billion in construction costs or up to \$250 million single project.
- Stephenson is the largest African-American owned, construction management firm in South Florida. They have current experience working in Overtown as manager of the Carver Apartments and Shoppes project (Eight Street, NW Third Avenue).
- Revuelta is one of the most prolific architects in Miami. The firm's designs feature nearly ten buildings in Greater Downtown Miami.
- MPA is the single largest manager of parking in Miami. They currently manage several lots within Overtown. Their parking portfolio includes 14 garages and nearly 90 surface lots along with over 11,000 on-street spaces.
- BRF is the premier law firm specializing in land use matters throughout Miami. They have significant experience with current land use issues in Overtown. BRF and the Development Partners have worked together for over ten years.

OVERTOWN GATEWAY

We have deliberately sought to address the key objectives of this solicitation with a Project that includes several facets. Discussions of the Project's key elements and benefits are presented in tabs 3 and 5 respectively.

- Overtown Gateway would generate roughly 500 jobs with the development of Block 55. Our team has direct experience, deliberate intent and commitment from the top down to exceed the targeted levels of jobs for local residents and contract opportunities for local companies.
- Numerous post-construction jobs will be generated. To ensure that local residents and companies can access these opportunities, we plan to designate a Jobs and Contracts Coordinator who would remain active throughout and after construction.
- Respect for the cultural heritage of Historic Overtown is embedded within our design. Elements of HOFDIA design standards and the Redevelopment Plan are incorporated.
- The Project is poised to generate significant economic returns for SEOPW CRA. This would amount to millions each year. A summary highlighting the returns is included in Tab 5.
- Beyond creating jobs, we plan to engage Overtown youth by providing educational experiences introducing them to the real estate industry and entrepreneurship. In doing so, we are deliberately seeking to sow the seeds for growing the investors of the future whom will build-up Overtown with compassion and commitment to its cultural heritage. The "Overtown Scholars" program is briefly discussed in Tab 5, Project Benefits - item (e).

We are confident about the financial viability of the Project. Peebles and BACH both have significant experience with the South Florida markets and with the proposed Project components. Collectively, we have significant financial resources and access to much more. Letters evidencing interest from a small sample of potential capital partners are provided in Appendix D.

- The demand for residential in Miami is significant and growing. We will cater to the wide cross section of people seeking workforce housing, desirous of downtown living and attracted by Overtown's character. The workforce sector has been generally overlooked despite accounting for a large percentage of those who work in Downtown currently and care to live there in the future.
- The retail is positioned to tap into the entertainment district being fostered in Overtown. Downtown's retail activity is booming per numerous studies by the Downtown Development Authority. We plan to compete for this business while also benefitting from those who will live, work and play at Overtown Gateway.

We appreciate the opportunity to be considered for such a special site. Hopefully, you find our concept to be compelling. Mr. Peebles and Mr. Channer are drawn to the compelling story behind the site and neighborhood. We are prepared for the challenge and offer Overtown Gateway for your consideration.

BACKGROUND:

The attached Resolution of the Board of Commissioners of the Southeast Overtown/Park West Community Redevelopment Agency ("CRA") authorizes the Executive Director to enter into second amendments to: (i) the Grant Agreement by and between the CRA and Town Park Plaza South, Inc.; (ii) the Grant Agreement by and between the CRA and Town Park Village No. 1, Inc.; (iii) the Development Agreement by and between the CRA and Island Living Apartments, Ltd.; (iv) the Development Agreement by and between the CRA and Lyric Housing, Ltd.; (v) the Development Agreement by and between the CRA and St John's Plaza Apartments, LLC; and (vi) the Development Agreement by and between the CRA and AMC HTG I, Ltd. (collectively referred to a "Agreements") to extend the time contingency for the CRA to obtain bond financing for the Projects on terms acceptable to the Board of Commissioners of the CRA from December 31, 2013 to February 28, 2014.

The Board of Commissioners determined that in order to facilitate the redevelopment of the Redevelopment Area, it is in the best interests of the CRA to issue bonds to finance such redevelopment activities. In anticipation of such debt financing, the Board of Commissioners, pursuant to CRA Resolution No. CRA-R-12-0028, passed and adopted on April 30, 2012, approved a list projects to be financed utilizing the proceeds from the bond issue. Thereafter, on January 28, 2013, the Board of Commissioners, by Resolution No. CRA-R-13-0008, authorized the execution of the Agreements for the projects.

The Board of Commissioners, by Resolution No. CRA-R-13-0074, passed and adopted December 18, 2013, authorized amendments to the Agreements to extend the time contingency for the CRA to obtain bond financing for the Projects on terms acceptable to the Board of Commissioners of the CRA from December 31, 2013 to February 28, 2014. There have been delays in in the issuance of the bonds as a result of issues related to the Miami-Dade County's contribution to the CRA's redevelopment trust fund. In turn, it is necessary for the Agreements to be amended to extend the contingency period for bond issue approval.
