**Miami Community Redevelopment Agency Honors Local Teen Filmmakers during a
Community Screening of Films Produced During Intensive Summer Workshop**
*---Southeast Overtown/Park West Chairman Richard Dunn Spearheaded Support for the
Program which Trains Teens for Careers in Films---*

(Miami,FL)-- Southeast Overtown/Park West CRA Chairman Richard P. Dunn and CRA Executive Director Pieter Bockweg will join Cine Lab founder Reggie Scott for a community screening featuring the work of young, local filmmakers as part of the Cine Lab summer workshop. **The event begins at 2:30pm on Friday, August 6th at the Culmer/Overtown Neighborhood Center at 1600 NW 3rd Avenue.**

“The Cine Lab workshop has offered an invaluable experience to these high school students who now have a new career path to follow. The hands on nature of the program has gotten them up close and personal with film making and was an opportunity many young people in the community never get,” says Chairman Dunn.

CRA Executive Director Pieter Bockweg says the agency provided a \$50,000 grant for the program which brought the New York based PepperShaker Company which produces the Cine Lab to Overtown. 22 students took part in the program which is also offered in other cities around the country.
